

Web Master
Expertise in Wines and Spirits

AMAURY AKOUN

Objective: To put at your service the skills acquired through my various experiences, and to provide you with the knowledge attested by my diplomas.

About me

Passionate about new technologies and the digital world, I have always had a genuine interest in digital careers.

Holder of a Master's degree in Digital Marketing from My Digital School, Montpellier, I currently work as a webmaster at Les Caves Cairel, a wine merchant and wholesaler based in Montpellier.

My skills cover web marketing, communication, and digital project management, with solid experience in wine and spirits."
